Social Committee Report:

Kids ain't what they used to be. The 'Schooldays' quiz saw a most disreputable and unruly bunch of pupils turn up for their end of term examination. What with smoking outside and copious quantities of alcohol consumed inside (and goodness knows what behind the bicycle sheds), today's youngsters are not what they used to be. Despite this, and despite some quite tricky questions, particularly from the maths teacher, Mrs Sully, there were some glowing results, and Master Sampson and Master Oxenham's groups ended up joint top of the class. So, it's gold stars to them, and thanks also to Lucy and Jane who produced a school dinner of which Jamie Oliver would have been proud.
